Yonkers Tennis Center Season Court Rules 2012 - 2013

- Any group wishing to reserve their existing seasonal time has a right to that time until March 14th, 2012. Those whose court times will not be offered seasonally for 2012-13 will be notified in writing. A non-refundable deposit of $500.00 per court hour or the full 5% Pay-in Full discounted rate is required.
- Courts not taking advantage of the 5% Pay in Full discount must leave a deposit of $500 per court hour and participate in the Auto-Pay program or pay in full with no discount the first week of play. All financial information must be submitted by March 14th, 2012. Failure to do so could result in the non-renewal of your seasonal court. There will be a $5 per month administration fee per player if you choose to participate in Auto-Pay with a credit card. The $5 fee will be waived if you choose to let us debit your checking account (ACH).
- Consumer's right to cancellation: You may cancel this contract without any penalty or further obligation within three days from the date of registration. Court deposits are non-refundable. After July 1st the entire court fee is non-refundable.
- Yonkers Tennis will accept payments from individual group members only if organized by the captain and submitted with a completed "Player Roster" stating the individual player's names, address, phone numbers, e-mails and amount each owes.
- The club does not rent a "specific" court. The club rents only the day and time on any available court. Courts may be reassigned at any time at the discretion of the management.
- Season courts may only use the facilities' teaching staff. No outside teaching professionals are allowed to teach or use the facilities' teaching equipment.
- The group will be responsible for any applicable federal, state or local taxes that might be levied against these fees during the course of the season. This responsibility will not be waived even if the taxes are levied retroactively. Fees currently collected do not include any such taxes.
- No rebate, credit or makeup time shall be due for loss of group's reserved court time due to circumstances beyond the control of Yonkers Tennis Center, such as acts of God, strikes, etc. Seasonal court time unused by the playing groups because of personal reasons or holidays generally cannot be made up. However, in the event you are unable to use your seasonal court time and wish to resell it, you must notify the club in writing. If any portion of the court is resold you will receive a makeup. As a courtesy, a maximum of three dates are allowed per season and all makeups must be taken before May 7th, 2013. This rule applies to SeaPro courts as well. The captain is responsible to check if the court was sold.
