Sound Shore Medical Center is preparing for their 16th Anniversary Toy & Coat Drive

The first year, 60 children were recipients of an age-appropriate toy. And now sixteen years later many of the original families are still benefiting from this act of caring – with some of the first recipients now helping with the event. From the Pediatric Outpatient Holiday Party, where more than 1,200 children receive toys, to donations for the purchase of more than 775 winter coats, the caring has grown. The Curtos and Dr. Devine along with generous volunteers—from many organizations in the counties—now make a big difference for hundreds of families. Of interest, the child whose birth was the genesis for the Toy & Coat Drive 16 years ago, now works on the event and enlists her teenage friends to help. Please help by donating unwrapped toys. Toys may be dropped off in the YTC lobby now through December 8th. Check out the community section on our website at www.yonkerstennis.com for additional information about this event and YTC helping the community in which it operates.

Thanksgiving Day Food Drive continues...

Yonkers Tennis Center will be collecting food for the City of Yonkers Thanksgiving food drive. We've had a long standing commitment to helping those in need in our community and continue to partner with many organizations. There is a collection box in our lounge asking for your help throughout the year. This month help us support the city of Yonkers by donating food for the Thanksgiving holiday.
