About Blythedale

For over 115 years, Blythedale has served the region's most medically fragile children, regardless of economic status. Money raised from the *14th Annual Golf + Tennis Classic* will help fund our new state-of-the-art inpatient hospital. This new facility will be opening in fall 2011 and include an infant and toddler unit, as well as dedicated units for our adolescent patients and children with traumatic brain injuries. For more information on Blythedale visit www.blythedale.org.
