## Thanksgiving Day Food Drive

Yonkers Tennis Center will be collecting food for the City of Yonkers Thanksgiving food drive, October through November. We've had a long standing commitment to helping those in need in our community and continue to partner with many organizations. There is a collection box in our lounge asking for your help throughout the year. This month help us support the city of Yonkers by donating food for the Thanksgiving holiday. Check out the community section on our website at [www.yonkerstennis.com](http://www.yonkerstennis.com) for additional information about YTC helping the community in which it operates.
