

USTA 2010

Rules and Guidelines

1. Teams will consist of 12 players.
2. Each player will pay \$499 for 10 x 1.5 hours practice sessions.
3. All players must be current USTA members (\$20 per year).
4. All players must register for a team online with the team number.
5. All teams **MUST** have a minimum of 10 players by March 1st to be eligible to play at YTC. If this deadline is not met YTC will have to disband the team.
6. Players are only “on” a team when YTC has received the USTA enrolment form and a deposit of \$200 by March 1st. The balance will be charged to a credit card along with the match fees in late April. Players must also be registered for the team online with the USTA.
7. Home match fees must be paid in advance. Once the home match schedule is released we will tally the number of matches and each player will pay a set amount before the season commences. No exceptions.
8. Each team will be made up of at least 60% of your level (USTA rules)
9. Practice sessions are based on a 4:1 player to pro ratio.
10. All matches at YTC will be best of three sets, if a third set is required the 10 point super tie break will be used.
11. USTA league members are able to book court time for 1.5 hours at no charge. All open time can only be booked 24 hours in advance. Free time begins when practices start and ends when we close in August. If you bring a non team member they are responsible for their portion of the court cost.
12. There are no make ups for missed practices and players are not able to practice with another team to make up.
13. Out of fairness to team members no substitute players are to be used in matches before a paying team member.
14. There are no ½ shares.
15. YTC has the option to add a player we feel is suitable to any team.
