Seasonal Court Seapro Court

Please add the Pre Paid Ball Program to our court. A separate payment of \$110.00 for the pre paid ball program must be submitted with the Seasonal Court Captain renewal form.

Option 1 5% Pay In Full Renewal

Yes! Our group will renew our existing seasonal court and each individual player will submit their discounted share no later than March 12th. I understand it is the responsibility of our group to submit the correct amounts in full and failure to do so will result in our discount being revoked.

Option 2 Auto-Pay Renewal

Yes! Our group will leave the required non refundable \$500 per court hour deposit no later than March 12th and participate in the auto pay plan program for a \$5 per month administration fee per player. The \$5 fee will be waived if you choose to let us debit your checking account (ACH). If you have a pro on your court an additional \$500 must be left per court hour. I understand that our court will be canceled if a full deposit & auto-pay payment information is not received by March 12th.
