

YTC COVID-19 Revised Guidelines

** effective 4/1/22*

ALL YTC Staff are Vaccinated!

Players and staff are expected to follow the recommended guidelines. Guidelines will be strictly enforced for your safety. We will be generally following the **USTA Playing Tennis Safely** directives as well as any local, state & federal mandates.

Do not come to the club if you are experiencing any COVID-19 symptoms or any sign of illness.
Any player who tested positive for COVID-19 should notify the club General Manager, Kathy Galante
kgalante@yonkerstennis.com, ASAP and follow NYS Guidelines for further requirements.
Please follow the NYS & Federal Travel Restrictions where applicable.

Masks are OPTIONAL in all areas of the club.

Please respect staff and fellow players should they still choose to wear a mask.

As of 4/1/22, proof of vaccination will NO longer be required to enter and play.
We ask that everyone remains respectful and not assume anyone's status.

A signed COVID-19 waiver per family, to keep on file, is still required.

All players & staff MUST continue to scan their bar code tags upon entry for contact tracing.
If you forgot your tag, please ask the front desk to manually check you in.
Hint, take a photo of your card and save to "favorites" on your cell phone. This is important!
